

# Photograph and Publication Slip

Dear Parents,

Throughout the year we take photos of our students, at work and play. These are primarily used in our annual year book. This is a fun memory book given to each family at the close of each school year.

Sometimes a newspaper article or press announcement is possible and photos are incorporated. St. Mark's Preschool also has a facebook page (St. Mark's in the Valley Episcopal Church and PreSchool) and a website (SMITVpreschool.org). Sometimes we update with photos --- in these case all photos chosen are with no full on face shots and with no names.

This form is for you to give us permission to photograph your child with our school camera and use them in the above mentioned applications. Please circle those you are comfortable with, then sign and return with your enrollment packet. If we do not receive one of these forms, it is understood that you do not want your child photographed while at school.

If you have any questions, please contact Yvonne Lowe of St. Mark's In-The-Valley Episcopal Church Pre-School

Thank you,

*Yvonne Lowe*
